

# DD Frontline Hammock - KING Size

Extra-Spacious and comfortable for all user heights

Versatile

Extra spacious

Bug proof

Breathable

The DD Frontline Hammock - KING Size is DD's largest Hammock, measuring 3.2m x 1.7m; an incredibly spacious hammock that is suitable for users of all heights, whilst remaining comfortable and lightweight for its size and features.

From cold weather camps to the deepest jungles, the DD Frontline Hammock - King Size features a dual-layered design to house extra insulation as well as a fully bugproof integrated net for total insect protection. Set-up is simple, with 5m of Strong Webbing pre-fitted either side.
